REQUEST FOR PROPOSALS (RFP) FOR THE LEASING AND OPERATION OF THE KITCHEN SPACES LOCATED INSIDE THE MARKET THEATRE COMPLEX AND MARKET SQUARE BUILDING.

SECTION A

1. Background

The Market Theatre Foundation (MTF) , situated in Newtown, Johannesburg, comprises 3 theatres and the Gramadoelas space with a combined capacity of 820 seats;

John Kani Theatre = 450-seater

Mannie Manim Theatre = 150-seater

Barney Simon Theatre = 150

Gramadoelas = 70.

Kippies = 70

It stages a wide variety of projects ranging from drama, music, comedy, dance to drag and other non-mainstream artistic performances. These offerings are mainly done in the evenings except for seasonal daytime performances from time to time.

There are other forms of bookings that take place across other spaces in the building like conferences, book launches, private functions, etc.

The Market Theatre recently completed refurbishments to the space that previously housed the Gramadoelas restaurant – including the kitchen adjacent to it.

The new re-imagined Gramadoelas space has been converted into a multi-purpose flexible space containing a bar and seating area. It is envisaged that the space will be utilised not only as a bar for pre- and post-show drinks and meals; but for conferencing and the staging of small-scale productions also (e.g. music, comedy, etc.).

The Market Theatre Foundation owns and operates both bars in the building. As such, the successful operator will not be permitted to trade in any beverages including soft drinks, water and coffee as they are provided at the bar

MARKET THEATRE ANONYMOUS FRAUD TIP-OFF HOTLINE: 0800 000 905 (Toll-free)

This bid is therefore to invite suitably qualified and interested companies to submit bids to rent and operate the kitchen to complement the drinks offerings and provide meal options for patrons at various venues.

By issuing this RFP, the MTF wishes to:

- Secure the best possible commercial terms and overall value for the operation of the Food Facility.
- Ensure the provision of a high-quality, value-for-money food service to MT patrons (primary), and to artists, staff, students, and the general public (secondary/discretionary).
- Advance economic empowerment and transformation through the operation of the facility.

3. THE PROPOSED FACILITY

Below is some basic information pertaining to the kitchen in relation to the larger ground floor of the complex.

Operators are required to conduct their own financial assessment of the viability of the facility when submitting proposals.

4. PLANNING CONSIDERATIONS

The operator will be required to comply with all relevant local authority by-laws as well as those set out by the MT from time to time. Given the investment made by the MTF the immediate area will need to be maintained to a high standard as determined by the Market Theatre Foundation or local authorities.

5. CERTIFICATES, LICENSES AND PERMITS

The successful operator will be responsible for obtaining all necessary permits and licences including all Food Health certificates prior to operating the Kitchen Facility. Any lead times required for the application and approval of such licenses and permits must be factored into the programme by the operator. This is to ensure that the Kitchen Facility becomes fully functional and operational at dates that coincide with the lease agreement.

6. BULK SERVICES

Bulk services (water, electricity, sewerage) are provided to the site. This excludes the provision of gas supply. The consumption of water and electricity will be billed to the operator monthly in arrears.

7. B-BBEE, EMPOWERMENT AND TRANSFORMATION

The MTF has developed a B-BBEE strategy, which aims to promote economic transformation, grow small and medium enterprises, enhance skills and enterprise development and contribute to the socio-economic upliftment of communities within the city. The bidder is required per the Functionality Criteria to provide an Empowerment and Transformation Plan per the indicated priority categories.

8. LEASE TERMS

A lease agreement for a period of three (3) years will be concluded with the preferred operator in line with standard conditions including options to renew. The option to renew will be subject to specific performance conditions e.g. quality of service and offering, value for money and proper maintenance of equipment. These terms are subject to the final decision by the MTF after considering proposals received.

Should the Market Theatre Foundation find the service and quality of food to not be of good and satisfactory standards, the Market Theatre Foundation has the right to terminate the lease.

The commencement of the lease is subject to and shall take effect upon the successful completion of negotiations and the execution of a lease agreement between the MTF and the preferred operator.

The areas of the facility are as follows:

- Dry Store/Pantry: 5m²

- 1 This Standard Bidding Document (SBD) must form part of all bids¹ invited.
- 2 Section 4 (1) (b) (iii) of the Competition Act No. 89 of 1998, as amended, prohibits an agreement between, or concerted practice by, firms, or a decision by an association of firms, if it is between parties in a horizontal relationship and if it involves collusive bidding (or bid rigging).² Collusive bidding is a *per se* prohibition meaning that it cannot be justified under any grounds.
- 3 Treasury Regulation 16A9 prescribes that accounting officers and accounting authorities must take all reasonable steps to prevent abuse of the supply chain management system and authorizes accounting officers and accounting authorities to:
 - a. disregard the bid of any bidder if that bidder, or any of its directors have abused the institution's supply chain management system and or committed fraud or any other improper conduct in relation to such system.
 - b. cancel a contract awarded to a supplier of goods and services if the supplier committed any corrupt or fraudulent act during the bidding process or the execution of that contract.
- 4 This SBD serves as a certificate of declaration that would be used by institutions to ensure that, when bids are considered, reasonable steps are taken to prevent any form of bid-rigging.
- 5 In order to give effect to the above, the attached Certificate of Bid Determination (SBD 9) must be completed and submitted with the bid:

¹ Includes price quotations, advertised competitive bids, limited bids and proposals.

² Bid rigging (or collusive bidding) occurs when businesses, that would otherwise be expected to compete, secretly conspire to raise prices or lower the quality of goods and / or services for purchasers who wish to acquire goods and / or services through a bidding process. Bid rigging is, therefore, an agreement between competitors not to compete.
